

The Angelini Group is a family-run company that employs around 6,000 people worldwide. Angelini conducts extensive research, development, manufacture and marketing of active ingredients, pharmaceuticals, medical devices and dietary supplements in the pharmaceutical sector.

Angelini Pharma Österreich GmbH offers an ever-growing range of pharmaceutical products and is a leader in numerous therapeutic areas. To strengthen our team, we are looking for a

Business Excellence Student Support (m/w/d)

What tasks will you perform in our BEX Team?

- Support our Business Reporting by maintaining and feeding of data into our report systems and our business dashboards (Advanced Microsoft Excel is important to know, the rest we will teach you 😊)
- Collect & manage & Analyze data from our external third-party tools as well as from our internal departments to foster our data driven Business Insights
- Support our Business Analyst in the current projects and daily tasks
- Calculated the bonuses for our sales teams
- Up to 9 hours per week ("Geringfügigkeitsgrenze") in the Vienna office

What will be the benefit for you?

- You will work for a Pharma company in a multinational company in significant expansion.
- Austria, Hungary, Switzerland ... you name it! We work every day with them.
- Work in one of the strategical departments of the company - Business Excellence, which will boost your strategic thinking, project management, and knowledge of the pharma business
- A fun project with a young team and great teamwork are waiting for you.

What will we need from you?

- Good English and German knowledge as we speak both languages every day in our team
- Advanced Microsoft Excel knowledge is essential as this will be one of your everyday tools
- Good energy and curiosity to learn will help for sure.
- Curious and eager to learn, we have more to share with you along the way! :)

In addition to an appreciative environment, we offer attractive working conditions in a modernly managed company that promotes the independent and flexible way of working of its employees. For this position, we offer a monthly gross salary up to the 500,91 Euro (Geringfügigkeitsgrenze 2023). Other benefits like coffee, fruitbaskets are also included.

Angelini Pharma is an equal Opportunity Employer. We believe that diversity is a huge value that contributes to individual and company success. We are committed to create a diverse and inclusive environment. We look forward to receiving your electronic application to jobs@angelini.at to Ms. Stefanie Tschandl, MA.
